

Cigars

Recognising that the smoking of a fine cigar is one of life's greatest sensual pleasures, we have worked with Hunters & Frankau to create the Embargo 59 Cigar List. Humidified to absolute perfection and available individually or by the case, our world-class selection of premium cigars has been devised to delight aficionado and casual smoker alike.

The Cohiba cigar was created in 1966 for President Fidel Castro and is the flagship brand of Habanos. Cohiba is an ancient Taino Indian word for the bunches of tobacco leaves that Columbus first saw being smoked by the original inhabitants of Cuba.
